Re: Superfund -- Leonard Chemical Company

Dear Mr. Lee:

Confirming our conversation earlier this week, the recent General and Special Notice Letter from Mr. Patrick M. Tobin with respect to the above site has been forwarded to Ralston Purina Company of St. Louis, MO for response. Ralston Purina purchased Union Carbide's domestic Battery Products business several years ago, and, I am advised, will be responding directly to the Agency with respect to purported Union Carbide involvement at the Site. If you have any questions on any of the above, please call me at (203) 794-6225.

Very truly yours,

Gerald E. Klein
